Conditions of Boarding

We reserve the right to refuse admission to any cat showing signs of illness or poor health on arrival where this may pose a risk to other animals or staff.

All cats must be fully vaccinated. All primary vaccinations and boosters must be completed at least 14 days prior to boarding. Please bring a current vaccination card on arrival.

Please be mindful when booking as changes to confirmed booking dates are subject to availability and cannot always be accommodated.

An administration fee of **£20.00** may be charged for changes to confirmed bookings to cover administrative costs.

Cats from the same household will normally be accommodated in the same suite unless alternative arrangements are required for health or welfare reasons.

Cats over 7 months old must be spayed or neutered to reduce the risk of infection and behavioural issues.

Bookings are confirmed when the deposit is received. The deposit is deducted from the total. The balance is payable in cash on arrival. Cancellation charges reflect actual loss, costs saved and re-let dates.

Charges for cancelled or shortened bookings are applied in line with our cancellation policy, which reflects the loss incurred where accommodation cannot be re-let at short notice.

Please ensure that you have read and understood our full terms and conditions, including our cancellation policy, available at apple-tree-cattery.co.uk/terms-and-conditions.

Please tick: ☐ with cats sharing a suite, you consent for Apple Tree Cattery to separate them should any issues regarding behaviour or health arise.
